Calling all FUTURE CNLA Leaders!

The Connecticut Nursery and Landscape Association is looking for members who are interested in serving on the Board of Directors. The Board is comprised of members from around the state who volunteer their time and talents to help guide the direction of the organization. Serving on the Board would not only set you apart from others in the industry, it would allow you to be integrally involved in the future goals and objectives of the CNLA.

The Board meets approximately eight times throughout the year to present, discuss and/or vote on CNLA business.

If you would like to be considered for a Board appointment, please reply directly to Alyssa Ruddy at Info@cnla.biz indicating your interest. Your name will then be submitted to the nominating committee.
