556 Mulberry St, Plantsville, CT

2018 CT Green Industry Alliance Awards Call for Entries

The CT Green Industry Alliance Awards Program is the place to showcase your talents and help you show off the great work you have done to your peers and potential clients. No matter what size business you own, what association you belong to or what specialty you are in, this is THE awards program to be part of.

Each association has their own awards and application form. Members of the Association of Professional Landscape Designers: CT Chapter, CT Grounds Keepers Association, CT Irrigation Contractors Association, CT Nursery and Landscape Association, Experiment Station Associates, and NOFA Organic Land Care Program are eligible for their association awards and for the CT Green Industry Alliance Safety Award.

A distinguished panel of experts chosen by each association's Board of Directors will judge their respective association submissions. Awards may or may not be given in each category. The winners will be announced at the November 28, 2018 Awards Banquet.

All entries must come with an entry fee of \$60/submission. The fee includes registration for one individual. The fee to register for the event is \$50/person or \$450/table (10 registrations).

Deadline for entries: **Wednesday, October 24, 2018**. Submissions are to be sent Lisa Stevens, CNLA, 1 Regency Drive, Bloomfield, CT 06002 or info@cnla.org. The entry fee must accompany the application.

Submissions will be judged based on the criteria each association has outlined elsewhere in the packet. The same project may be entered in more than one category. Additional entries of the same project should be treated as its own entry, meaning it should have its own photos, the appropriate application as well as its own entry form and payment.

All entries and photos become property of the CT Green Industry Alliance and may be used for publicity/information purposes. You may submit up to 10 photo prints of the project. Please include before and after picture and label each photo with the project name only. It is important that your photos be of the highest quality and provides a thorough view of your project. JPEG files are preferred. Do not submit your images in PowerPoint or any other presentation program. Note: Photos must not contain any identifying information, i.e. trucks, equipment showing company name or logo, etc.

Questions may be directed to: Lisa Stevens, CNLA, info@cnla.biz or 800-562-0610.

CT Green Industry Alliance Award Banquet

Awards Program Entry Form

Please submit a separate form for each entry; however, you may remit one payment for ALL your entries. Entries must be received at the CNLA Executive Office with payment no later than **Wednesday, October 24, 2018**. Please complete the Attendee Registration form for additional attendees (see last page).
