

SAM BRIDGE
NURSERY & GREENHOUSES, LLC EST. 1930

Landscape Foreman

Our busy Landscape Department seeks an experienced, responsible individual to perform and oversee landscape-planting projects. Must have a good working knowledge of best landscape practices, plant material and good organizational skills. Should be able to manage a project from start to finish, oversee and work with a crew. Valid driver's license, knowledge of spoken and written English is required, fluency in Spanish is a plus. References required.
