

Connecticut Nursery & Landscape Association

2020 Summer Webinar Series

Wednesday, July 22
Wednesday, July 29
Wednesday, August 5
Wednesday, August 12

SESSIONS *(subject to change)*

July 22, 2020 4:00 pm - 5:00 pm

Protect that Hemp Crop

1 Credit Pending

Joanne Lutz, GGSPRO Technical Specialist, Griffin

Learn about the top pathogens, insects and mites that impact hemp. Get tips for scouting for early detection and understand strategies for preventative and curative control, including use of biological control agents (BCAs, aka the good bugs) against insect and mite pests. Includes pest ID and biology so you better understand why the recommendations work.

July 29, 2020 4:00 pm - 5:00 pm

Weeds and Seeds in the Landscape

1 Credit Pending

Dan Dalton, Naugatuck Valley Community College

Controlling weeds in our nurseries and landscapes can be a daunting task. This seminar will cover identification of some of the more common weeds and strategies for managing them.

August 5, 2020 4:00 pm - 5:00 pm

2020 Nursery & Landscape Disease Update

1 Credit Pending

Abby Beissinger, Assistant Extension Educator & Plant Pathologist, UCONN Department of Plant Science & Landscape Architecture

An overview of the common diseases found in 2020 of ornamental plants in Connecticut. You will leave with an understanding of signs/systems of disease, environmental conditions that favor disease development, and management strategies.

August 12, 2020 4:00 pm - 5:00 pm

General Pesticide Safety

1 Credit Pending

Mary Concklin, Visiting Extension Educator – Fruit Production and IPM, IPM Program Coordinator, Department of Plant Science & Landscape Architecture, UCONN

General Pesticide Safety Discussion

SPONSORSHIP

The format of the Summer Field Day may be different, but the quality of the programming is not. And we need your help to meet our goal. Without the help of companies like yours we will not be able to offer programs like these that provide credits to those that need them and professional develop on the hot topics in the green industry. Please consider being a Program Sponsor for one, or more, of our Summer Webinars. Sponsor organizations will receive recognition on program eblasts, 3 minute introduction at the beginning of the session, company name on the opening slide of the presentation, recognition on the CNLA website, Facebook and other social media platforms.

\$500/session (the number of sponsorships are unlimited).

2020 SUMMER FIELD DAY REGISTRATION FORM
