## Tours of Prides Corner Farms

**9:30 am - 2:00 pm Full Farm Riding Tour (45 minutes)**  
 Take a ride over the rolling terrain of Lebanon, CT for a full view of the 350 acre Prides Corner Farms Lebanon facility. This 45 minute tour will travel through the (3) farms that make up Prides Corner including the Alba Farm, home to containerized trees and a myriad of Hydrangea, the Main Farm featuring macrophylla Hydrangea, needled and broadleaf evergreens along with perennials, and the Emmons Farm, home to loads of deciduous shrubs and roses. Prides Corner experts will fill you in on growing facts and will be available to answer all questions.

**10:30 am Loading Dock Walking Tour (30 minutes)**  
 Prides Corner is really a logistics company shipping millions of plants to our customers each year. See how it all happens on this whirlwind walking tour of the Prides Corner shipping facility. This eye opening journey will give you the basics of our Lean Flow shipping system, from how plants arrive from the field and our remote growing locations, to how they are precisely staged, shopped, tagged and, finally, loaded onto trucks. Don't miss this chance to see our state of the art shipping facility in action!

**9:45 am and 1:30 pm Propagation Facility Walking Tour (45 minutes)**  
 The Prides Corner team is excited to show off our newest facility to our CNLA colleagues! Take a walk through our just opened, high tech, 2 acre, gutter connect propagation facility. Our propagation and grower support teams will reveal the magic of this brilliant glass greenhouse structure and its enclosed tissue culture lab, the biggest of its kind in the northeast. This tour will be a dazzling opportunity to see the most advanced techniques in plant propagation on display!
